Red signs always display stricter parking rules.

All vehicles are prohibited from standing on Mon- Friday 7am to 10am AND again from 2pm to 7pm

Arrow(s) indicate the direction of the parking spaces the parking sign regulates. This sign regulates parking spaces in both directions on the block (until the next parking sign; or the end of the block).

Commercial vehicles are permitted to park for 3-hours from 10am- 2pm ~ BUT must pay the parking meter

All other vehicles are prohibited from standing on Mon- Fri 10am to 2pm

All vehicles are permitted to park for one hour on Saturday from 9am- 7pm BUT must pay the meter

TIPS

- The more restrictive rule beats the less restrictive rule
- All vehicles may stand before and after the days/hours limits
